

CITY OF MAGEE
Limbs & Leaves - Debris Removal Policy

Limbs and Leaves

- Collected on each Monday, Tuesday, and Wednesday.
- Picked up on street right of way only.
- Leaves must be bagged or placed in boxes.
- Limbs must be cut at least in six foot lengths or less.
- Pick up only those limbs which have been cut incidental to routine cleanup work and shall not remove any limbs related to cleaning of trees, clearing of lots or other construction projects which are not related to the routine maintenance of property.
- The limb pit is available to city residents wishing to dispose of their own limbs and leaves if the limbs came from property inside city limits.
- Limbs picked up from the property on which they were felled.
- Public Works Department will not pick up limbs which have been cut by private contractors, utility companies or cable tv company, unless there is an emergency or public access is blocked.

Debris

- Collected Thursday and Friday.
- Picked up on street right of way only.
- The Public Works Department will not pick up construction debris generated by a contractor for residential or commercial development.
- No asbestos, hazardous materials, batteries, explosives, flammable liquids or roof shingles.
- Unusual circumstances for the elderly, handicapped or other special needs people will be reviewed by the city superintendent.
